

CELUS Plus Product Policy

This Product Policy (“Product Policy”) applies to CELUS Plus software (“CELUS Plus”) of Big Dig Data s.r.o.

1 Core Functionality

CELUS Plus is a usage statistics reporting service for monitoring usage of electronic resources within libraries and consortia of libraries with shared subscriptions to e-resources.

2 What are Product’s Main Features

CELUS Plus allows reporting on the usage of electronic resources harvested through SUSHI protocols according to the COUNTER 5 or COUNTER 4 code of practice, as well as processing custom usage statistics data.

3 Product Data We Process

While operating the CELUS Plus service, we collect and process the following Product Data (in addition to Account Data and Billing Data, if relevant):

Product Data	What we use it for	For how long we keep the data
<p>Data on the usage statistics of electronic resources collected by the following means:</p> <ul style="list-style-type: none"> Harvested through SUSHI links using SUSHI credentials provided to us by you upon commencement of the service Provided to us by you by other means, e.g. as .csv or .txt files or as Microsoft Excel spreadsheets 	<ul style="list-style-type: none"> To provide you with the core functionality of CELUS Plus and fulfil our obligations set in the CELUS Plus SaaS License Agreement signed between you and us, including regular backups of the Product Data to allow recovery of the data in case of disaster. To develop new features or products based on previous experience 	<p>As long as you maintain your account or until termination of the CELUS Plus SaaS Licence Agreement signed between you and us.</p> <p>Anonymised data can also be kept after you cancel your account or after termination of the CELUS Plus SaaS Licence Agreement signed between you and us for the purpose of development of new features or products based on previous experience.</p>

4 Where the Product Data are Stored

Product Data are stored in-house at the premises of Big Dig Data s.r.o. and on remote servers according to the CELUS Plus SaaS License Agreement signed between you and us.
